**$1,000 Lifetime Benefit Maximum**

---

*Emergency care services are not subject to the calendar-year deductible.*
Welcome to Dental Blue Freedom, a dental plan designed to manage the cost of dental services.

**Your Dentist**

Dental Blue Freedom offers a large network of dentists, including dentists in Massachusetts and Rhode Island who participate with Blue Cross Blue Shield of Massachusetts. Dental Blue Freedom members also have access to participating dentists nationwide. When searching for a network dentist, Dental Blue Freedom members can choose from the Dental Blue PPO (Preferred Dentist) or Dental Blue (Participating Dentist) networks. Using a network dentist will minimize your out-of-pocket expenses. If you would like help choosing a dentist, or already have a dentist and want to know if she or he participates with your plan, you can call the dentist, look at the current dental provider directory, or call Member Service at the toll-free phone number shown on your Dental Blue ID card. You can also access the online dental provider directory at [bluecrossma.com](http://bluecrossma.com).

**Your Benefits**

You will receive the greatest value if you visit a preferred dentist, because you will maximize the amount of benefits received under your plan.

The dental benefits your plan covers are subject to the calendar-year deductible and coinsurance (if applicable), and benefit maximum amounts shown in the chart. The calendar year begins on January 1 and ends on December 31 of each year. The chart also shows the percentage of costs your plan will pay for covered dental services. Many of the covered services have specific time or age limits.

**Pre-Treatment Estimates**

If your dentist expects that your dental treatment will involve covered services that will cost more than $250, Blue Cross Blue Shield recommends that your dentist send a copy of the “treatment plan” to Blue Cross Blue Shield before services are provided. A treatment plan is a detailed description of the procedures that the dentist plans to perform and includes an estimate of the charge for each service. Once the treatment plan is reviewed, you and your dentist will be notified of the benefits available.

Remember, the payment estimate is based on your eligibility status and the amount of your calendar-year or lifetime benefit maximum at the time the estimate is received and reviewed. (The actual payment may differ if your available calendar-year or lifetime benefit maximum or eligibility status has changed.)

**Multi-Stage Procedures**

Your dental plan provides benefits for multi-stage procedures (procedures that require more than one visit, such as crowns, dentures and root canals) as long as you are enrolled in the plan on the date that the multi-stage procedure is completed. A participating dentist will send a claim for a multi-stage procedure to Blue Cross Blue Shield only after the completion date of the procedure. You will be responsible for all charges for multi-stage procedures if your plan has been cancelled before the completion date of the procedure.

**How Network Dentists Are Paid**

**Preferred Dentists**

You will receive the greatest value if you visit a preferred dentist, because you will maximize the amount of benefits received under your plan.

Payments are calculated based on the provisions of the Blue Cross Blue Shield preferred dentist’s payment agreement and the dentist’s allowed charge that is in effect at the time the covered dental service is provided. Preferred dentists agree to accept the allowed charge as payment in full. You pay your deductible and coinsurance (if applicable), and any allowed charges beyond your calendar-year or lifetime benefit maximum.

**Participating Dentists**

For dentists who participate with Blue Cross Blue Shield, but do not have a Blue Cross Blue Shield preferred provider contract, benefits are calculated based on the provisions of the participating dentist’s payment agreement and the dentist’s allowed charge. These dentists agree to accept the allowed charge as payment in full. You pay your deductible and coinsurance (if applicable), and any allowed charges beyond your calendar-year or lifetime benefit maximum.

**How Out-of-Network Dentists Are Paid**

**Non-Preferred or Non-Participating Dentists**

Benefits for covered services by a non-preferred or non-participating dentist are provided based on the allowed charge or the dentist’s actual charge, whichever is less. The allowed charge is based on a schedule of charges. You may be responsible for any difference between the dentist’s actual charge or the allowed charge, whichever is less. You are also responsible for your deductible and coinsurance (if applicable), and charges beyond your calendar-year or lifetime benefit maximum.

**Orthodontic Benefits**

Your plan includes orthodontic coverage. The lifetime benefit maximum is not part of your calendar-year benefit maximum; it applies only to orthodontic services. You are responsible for your coinsurance and any charges beyond your lifetime benefit maximum. Benefits are available on your effective date. If your orthodontic treatment began before you were covered under Dental Blue Freedom, a monthly fee will be paid for your remaining orthodontic visits until either your treatment is completed or the lifetime benefit maximum is exhausted, whichever comes first.
When Coverage Begins
You are covered, without a waiting period, from the date you enroll in the plan.

Dependent Benefits
This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your plan description (and riders, if any) for exact coverage details.

Enhanced Dental Benefits
Enhanced Dental Benefits for certain dental care services are available for members who have been diagnosed with qualifying conditions. To learn more about specific conditions included in this benefit, review your plan description (and riders, if any) on MyBlue at bluecrossma.com/myblue.

If You Have to File a Claim
Network dentists will send claims directly to Blue Cross Blue Shield. All you have to do is show them your Dental Blue ID card. The payment will be sent directly to your dentist as long as the claims are received within one year of the completed service.

If you receive care from an out-of-network dentist, you will typically need to submit the claim yourself. Before submitting your claim, get an Attending Dentist’s Statement form from Member Service.

After your dentist fills out the form, send it and your original itemized bills to Blue Cross Blue Shield of Massachusetts, P. O. Box 986030, Boston, MA 02298. All member-submitted claims must be submitted within two years of the date of service. If you have a grievance, see your plan description for instructions on how to file a grievance.

Other Information
Coordination of benefits applies to plan members who are covered by another plan for health care expenses. Coordination of benefits ensures that payments from other insurance or health care plans do not exceed the total charges billed for covered services.

Your plan description has a subrogation clause, which means that Blue Cross Blue Shield can recover payments if a member has already been paid for the same claim by a third party.
