

Please join the MPIC Elm Street Corridor Working Group for
Elm Street Engagement & Design
2nd Public Forum: Wednesday, June 16, 2021 at 7:00pm
Virtual Meeting via Zoom

Greetings,

Staff and leadership in the Town of Cohasset continually explore opportunities to improve our community. Through the Master Plan Implementation Committee (MPIC) Elm Street Corridor Working Group, with assistance from planning/engineering consultants from Weston & Sampson, the Town is developing a conceptual plan to update the Elm Street corridor with improved aesthetic, pedestrian, cycling, and vehicular features.

A second public workshop has been scheduled for Wednesday, June 16, 2021, from 7:00-8:30pm to discuss preliminary design concepts based on public input to date for further feedback and input. The meeting will be held virtually and can be joined at the following URL:
