Please join the Cohasset Harbor Committee for the  
**Cohasset Harbor Climate Resilience Initiative**  
**1st Public Forum: Tuesday, January 25, 2022 at 7:00pm**  
Virtual Meeting via Zoom

Greetings,

The Cohasset Harbor Committee is sponsoring a series of public meetings starting this January to engage community members to explore climate resilience related to Cohasset harbor. These public meetings are intended to build consensus among the various stakeholders, prioritize future actions, increase knowledge of relevant data and available resources to inform action plans for climate-related issues in our community, and to help prepare for the Cohasset Community Climate Summit targeted for late spring 2022.

The first public forum has been scheduled for Tuesday, January 25, 2021, from 7:00 - 8:30pm to explore the potential impacts of extreme weather events on Cohasset harbor. The first 45 minutes will feature presentations by three speakers followed by 45 minutes of Q&A with attendees. The meeting will be held virtually and can be joined at the following URL:

ZOOM MEETING ACCESS BELOW:

<https://us02web.zoom.us/j/81107139375?pwd=SVRYMDBaU3pFS2lrbkdmL3JtM1NGdz09>

Webinar ID: 811 0713 9375

Or join by phone: Dial US: +1 301 715 8592 or +1 312 626 6799

Guest speakers include:

- **Mark Borelli** of the Provincetown Center for Coastal Studies will present highlights of the 2020 CCS Cohasset-Scituate research study on Storm Tide Pathways.
- Cohasset's **Tom Bell** will present highlights of the potential impact on Cohasset of a hurricane or large nor'easter.
- **Jack Buckley** of Cohasset Center for Student Coastal Research will present on the most recent king tide and discuss vulnerabilities related to storm water runoff.

For questions, please contact George Baumgarten at [gbaumgarten@cohassetma.org](mailto:gbaumgarten@cohassetma.org) or Lisa Hewitt-Dick at [lhewitt@cohassetma.org](mailto:lhewitt@cohassetma.org). We hope you can join us at the forum and look forward to your participation.
