

**Cohasset Harbor Committee**  
**COHASSET TOWN HALL**  
41 HIGHLAND AVENUE  
COHASSET, MA 02025

Please join the Cohasset Harbor Committee for the  
**Cohasset Harbor Climate Resilience Initiative**  
**A View from Beacon Hill: Climate-related Funding Opportunities**  
**Public Forum: Wednesday June 22, 2022 at 7:00pm**  
**Virtual Meeting via Zoom**

The Cohasset Harbor Committee is sponsoring a series of public meetings in 2022 to engage the community to explore climate resilience related to Cohasset Harbor. These meetings are intended to build consensus among various stakeholders, help prioritize future actions, increase knowledge of relevant data and available resources to inform action plans for climate-related issues in our community.

Our next public forum is scheduled for Wednesday June 22, 2022, from 7:00 - 8:30pm. **“A View from Beacon Hill: Climate-related Funding Opportunities”** will feature Representative Joan Meschino and Carolyn Meklenburg, Greater Boston Regional Coordinator, for the MA Executive Office of Energy and Environmental Affairs, followed by Q&A with attendees. The meeting will be held virtually and can be joined at the following URL:

**COHASSET HARBOR CLIMATE RESILIENCE INITIATIVE – 2022 Public Forum Series**

**Forum #1, January 25, 2022.** [“Exploring Potential Impacts of Extreme Weather Events on Cohasset Harbor”](#) presented the probability and impact on Cohasset Harbor of a hypothetical storm of record coupled with rain-based flooding that could result in unprecedented inundation of downtown Cohasset.

**Forum #2. April 11, 2022.** [“Potential Impact of Extreme Weather Events on Town Infrastructure & Services near Cohasset Harbor”](#) featured representatives from Cohasset Sewer Commission, Department of Public Works, Fire Department, and Emergency Management sharing their perspective on vulnerabilities, preparations and resilience.

Please visit [Cohasset Harbor Committee page](#) for videos, presentations and additional information.
