 - A roads and sidewalk plan, including deciding upon regional sewer;
 - A full scope fields and recreation project (tennis courts, Beechwood playground, Deer Hill field, and lacrosse wall);
 - A repair schedule, and initial repairs, as well opportunities relating to our Town Hall, police, and fire station; and
 - A repair schedule, and initial repairs, for our schools as well as a feasibility study for our Middle/High School with certain guardrails.
- Pursue the above options in tandem with financial planning process as follows:
 - Finalize the above proposals in consultation from the respective committees (School Facilities, School Committee, Roads and Sidewalks, CPC, etc.), and the Select Board by the end of August;
 - Consult with the Advisory and Capital Budget Committee in late August/early September;
 - Hold public forums and engage in public outreach in September and October; and
 - Hold a Fall Town Meeting and election in mid-November.

Goal 2: Zoning Bylaw Reforms

- Continue to pursue zoning bylaw reform and prioritize such reforms, including the timing of such reforms to be brought before Fall or Annual Town Meeting
- Support the study of a new or enlarged historic district(s)

Goal 3: Community Engagement

- Support community events, including a Town parade and consider other events such as a Winter Carnival, Fourth of July Fireworks, a Town Hall Haunted House, or other options.
- The Select Board will also disseminate a monthly report on our activities.
