Mary McGoldrick called the meeting to order at 7:00 pm

Mary and Mark updated the Committee on the recent meetings with the Board of Selectmen, Advisory and Capital Budget Committees.

At the BOS meeting on January 9 the Selectman formally adopted THRAC as the Cohasset Town Hall Building Committee. They also agreed to and voted on a series of objectives for the Committee. They discussed adding up to two new members to the committee at their next scheduled meeting January 23.

Mary went to the Advisory Committee meeting on January 18 and updated them on the progress of the Town Hall Committee since Special Town Meeting.

Mark and Mary went before the Capital Budget Committee on Monday January 22 and presented the same information.

The Committee discussed that it will be crucial for the BOS to vote to move forward with the process at their meeting later this evening so that the schedule prepared by the Project Manager (Shane Nolan) can be kept and the Schematic Design and related cost estimates would be ready for Annual Town Meeting.

Tom Reardon made a motion to adjourn at 7:50.
