- The Board of Registrars discussed whether they wish to recommend In-Person Early Voting for the Local Town Election to be held on Saturday, May 13, 2023. 50% of registrars must vote in favor of In-Person Early Voting for the recommendation to be made to the Select Board who hold the final decision to opt in or not. Leisa said that EV by mail voting is NOT optional. 1200 EV ballot applications have been entered in the VRIS state system. Michelle asked how does the Board of Selectmen vote on this issue. Terese asked if there has always been vote by mail. Leisa says YES, there has always been absentee voting and the absentee voting will remain.
