Topics not reasonably anticipated within 48 hrs- Select Member Maher asked that the board add an agenda item for the next Select Board Meeting to discuss creating a Board Commission and Committee handbook specific to the Select Board. The handbook would provide expectations on operating protocols, how the board would govern itself and how it should conduct its business among other things. She stated that the School Committee has a similar document that she found very helpful, and she would provide the document link to everyone. Chair Dippold asked Town Manager Senior to see if there was anything already out there and that they would add the topic to the next agenda. Select Member Maher offered to draft some examples for the next meeting.

Motion by Select Member Creighton to adjourn, seconded by Select Member Grady. Roll Call Vote, All aye.

The meeting adjourned at 7:11 p.m.

Respectfully submitted,

Jean Healey Dippold, Chair
