

Town of Cohasset
41 Highland Ave.
Cohasset, MA 02025
Tel (781) 383-4100

Department of Public Works
91 Cedar Street
Cohasset MA 02025
Tel (781)383-0273

Date: September 15, 2020

The following streets are on the plan to be re-paved next year.

ATLANTIC AVE - Numbers 9 - 187

BEACH ST - Numbers 45 - 172

ELM ST - Numbers 4 - 124

HOWARD GLEASON RD - Number 76 only

JERUSALEM RD - Numbers 181 - 249

KING ST. - Number 190 only

MARGIN ST. - Numbers 4 - 66

RIPLEY RD. - Number 25 only

SOHIER ST. - Numbers 79 - 261

If you plan to have work done to your property that would require a street opening permit, it must be completed before the town repaving. Please make arrangements with the utility or contractor for any necessary work as soon as possible.

In accordance with the Rules and Specifications Governing Street Excavation of the Town of Cohasset, “No municipal street restored or re-built within the past *five years* shall be cut, except in an emergency”.

Since modern bituminous concrete surface materials remain in excellent condition for many years beyond the first 5 years, and since cuts in the road surface are the greatest single contributor to pavement deterioration, utility companies and contractors will be strictly limited in excavating town streets up to 10 years of age.

After the 5-year moratorium expires, the following fee schedule will be imposed for excavating newly paved roads from years 6 through 10. Per adopted regulation, fees will be placed in a road fund for future project use.

Excavation in road between 5-6 years old	\$5,000
Excavation in road 6-7 years old	\$4,000
Excavation in road 7-8 years old	\$3,000
Excavation in road 8-9 years old	\$2,000
Excavation in road 9-10 years old	\$1,000

Please contact DPW at 781-383-0273, or engineering@cohassetma.org if you have any questions.
